Kilgore Pavement and Maintenance
Attn: Jason Kilgore
7057 West 2100 South
Magna, UT 84044

Dear Jason,

The end of the asphalt season is upon us and I wanted to take the time to tell you how much I appreciated the professional attitude and efforts of your crews that worked on my recent City projects (9000 South extension; and 8200 South 6700 West warranty repairs).

Both jobs were difficult with less than ideal circumstances and I appreciate the fact that I had Richard Ercenbrack and Robert Oltmann to work with. We all were on the same page with no difficulties and now enjoy quality end results.

Thank you again, and I look forward to working together on future City projects.

Sincerely,

Wade Mathews
Senior Engineering Inspector
